

Suggested Vendors

Since we are a small family-owned business, we are working on putting together a list of several local vendors with a nice range of services and price points to help you create your special day. (NOTE: If you choose a bakery not on this list, they must cook food offsite in a certified commercial kitchen, be licensed and have appropriate liability insurance).

Wedding Planners:

Day of Coordinator and Wedding planning Services are available through Barnwood Events WI – please contact us for pricing and specific job duties included.
