Your Big Day at Barnwood

Peyton Medick Photography

Getting ready

You and the ones closest to you arrive to get ready in our getting-ready suites. Bring in your hair and make-up artists, coffee and pastries, play your favorite music, and get excited about your big day. We'll have mimosas or getting ready drinks set for you.

First look

You and your soon-to-be spouse meet under one of our majestic trees, on our woodland path, or the hill overlooking the venue for your first look. You two share a special intimate moment and look forward to the day that you will share with friends and family.

I do's

All your guests arrive and settle into the wedding ceremony space. Now is the moment you've been waiting for. You walk down the aisle, toward each other, and say those two big words - "I do."

Cocktail hour

Cocktails are poured, appetizers are plentiful, and love songs play as you and your guests enter the vast wedding venue for cocktail hour. This is a time for congratulations, mingling, and fun.

Dinner

You'll be seated at our 18-foot, live edge table made from a 200-year-old oak tree, and look out at your guests as you enjoy dinner and toasts to your future. Your cake awaits your first cut so your guests can enjoy your delicious desserts.

First dances

The lights dim and everyone surrounds the dance floor to see your first dance as a married couple.

Party time

Your DJ or band plays everyone's favorite songs. While some people dance, others step outside to sit around the fire or play cards on the porch. But everyone comes back together when they smell the late-night pizza.

Joyful Goodbyes

At the end of the night, there are goodbye hugs and kisses as you reflect on the joyful memories that were made, and are sure to last a lifetime.

October 2024 - KV Films Weddings

"Working with the entire Barnwood Events staff for our October wedding was absolutely AMAZING!! Our planner, Taylor, and the owners, Julie and Dave, were so helpful throughout the entire planning process and on the day of!

On the day of the wedding, Taylor and the Barnwood team did a fantastic job at setting up all of our decorations, coordinating with vendors, keeping our timeline on schedule, and cleaning up our decor at the end of the night. They even took special care with cleaning and packing up our decor carefully into boxes which was so thoughtful."

"The venue is absolutely gorgeous and I am so happy we were able to have our ceremony outdoors under the willow tree in October! I couldn't have asked for a better experience working with Barnwood Events and would recommend this venue to anyone! Huge thank you to everyone at Barnwood for making our wedding so perfect!"

October 2024 - Michelle Martin Photography

"We are beyond thrilled with our choice of venue for our wedding day! The venue itself is absolutely stunning, situated in a breathtaking location that is ideal, especially for spring and fall weddings. The natural beauty around us provided the perfect backdrop for pictures, with vibrant colors that made our photos absolutely magical.

One of the best features was the option to rent the farmhouse for the weekend. It made the entire experience so much more convenient and comfortable for us and our wedding party. We were able to relax, mingle, and enjoy each other's company before and after the big day, which made the entire weekend feel like an unforgettable celebration.

Our day-of coordinator was an absolute godsend! She made sure everything ran smoothly, so we were able to focus on enjoying our special day without worrying about the details or managing vendors. Her professionalism and calm demeanor were exactly what we needed to stay relaxed and have fun throughout the entire event.

The owners and staff truly put their hearts and souls into making sure our wedding day was everything we dreamed of, and in some ways, even better than we imagined. They are incredibly knowledgeable and thought of every detail, even the things we hadn't considered. We could tell that they genuinely care about making each event special and unique.

We cannot recommend this venue enough. If you're looking for a beautiful setting, exceptional service, and a team that truly cares about your special day, this is the place to be!"

August 2023 - Ebby L Photography

"My wife and I could not have asked for a better location than Barnwood to host our wedding! Dave and Julie were so kind and welcoming when we first toured the venue. Their excitement for Barnwood helped fuel our own excitement and help us visualize ourselves getting married at this beautiful location. There are multiple locations that you can choose for your ceremony depending on your preference, we choose the beautiful giant oak tree out front.

The weeks leading up to our wedding; Julie and the coordinator that we hired through Barnwood, Taylor, were so willing to answer all of our questions and helped us tremendously leading up to the wedding day.

We opted to rent the attached "farmhouse" which was a super convenient option for the guys to all get ready and have a place to hangout before the ceremony. Barnwood also has contracts with some local hotels for shuttles which prevents the hassle of your guests worrying about driving back to their hotel after a long night.

The day of the wedding went so smoothly, thanks to Taylor. My wife and I knew we were in good hands and that we didn't need to stress at all because Taylor handled everything with our various vendors. We loved everything about Barnwood and you will too!"
